

Dear Guests,

We are delighted to spoil you
with our selection of drinks and food.

We serve food from 12:00 noon to 10:00 p.m.

***As we only have a small kitchen
and prepare many dishes fresh for you,
there may be waiting times.***

***We may also not always be able to take
the sauna infusion (Aufguss) times into consideration.***

We hope you enjoy choosing from
and savouring our culinary selection.

Your SAUNARIVM Team
